“ MR. and Mrs. Potts have been totally outstanding neighbors forever. We became extremely good friends when Mr. Roger needed a little help with Mrs. Betty after a bad car wreck she had. Oh my, he was so cordial and such southern tactics. But low and behold the real Roger Dale came out and this is the one i was crazy about and her too. He would greet me soooo rudely when i would come over, just holler at me- tell me get my own coffee, cuss at me ever now and then. but i would throw it right back at him. poor mrs. potts would have to intervene and we just laugh. all of this was in fun. this is the way he talked to a person he loved . if he was kind- WATCH OUT!!! YOU WERE NOT on his LIKE list. there is no doubt in my mind, that when Heavens Gates opened - the first words spoken was - Got any fresh coffee? is it Folgers? that is when Heaven cracked up laughing!! 😊 Roger Potts and mrs Potts and I loved each other very much as the bests neighbors and friends. i should know for he and i never had anything good to say to the other. but we would do anything for each other. Heaven has the hilarious coffee drinking angel and we have the wonderful memories and privilege that the Lord allowed and blessed US with MR. ROGER DALE POTTS 😊 and yes!! i was blessed and honored to be on his TO LIKE list. even though he would never admit it.
